Agenda of the meeting: Decision About installation of Solar-wind Hybrid System for electrification.

Snehawardhak Mandal Social and Educational Trust's Governing council meeting took place on Balvikas Vidyalaya Building, following decision was taken in the meeting.

As per the prior discussions, proposed project of solar-wind Hybrid System for electrification is postponed due to unavailability of the funds. In the present scenario, infrastructural maintenance is mandatory and unavoidable for the institution.

So first infrastructural modifications will be the first priority and it will be done within the span of five years.

After the completion of these infrastructural renovations, Trust will take further decisions of the installation of the Solar System which is important for the future prospectus.
